

Trinity News for March 03, 2019

If you haven't invited Christ Jesus to be your Lord and Savior, I invite you to do it now.

**Father God, I believe Jesus Christ is your Son,
The Savior of the world.
I believe He died on the cross for me,
And He bore all of my sins.
He paid the price for my sins.
He took the punishment I deserved,
And is now seated at your right hand.
I need you, Jesus.
Forgive my sins, save me,
Come to live inside me.
I want to be born again.
I now confess you as my Lord and Savior.
Amen.**

**If we confess our sins,
He is faithful and just to forgive us our sins,
and to cleanse us from all unrighteousness.
1 John 1:9**

The world is filled with wonders, writes Nathaniel Olson. Consider chemistry: Salt is formed by two poisonous substances (sodium and chlorine). The alnico magnet, the world's strongest, contains three nonmagnetic substances (aluminum, nickel and cobalt). And water consists of oxygen (which is flammable) and hydrogen (which burns easily); yet water puts out fires!

Something to Think About

That pales in comparison to the wonder of salvation through Jesus. Every day, Olson writes, Jesus transforms filthy, hopeless sinners into new, forgiven creations. "On the skid rows of our cities, in wealthy and poor homes, in jungles ... whenever any soul wants Christ, the wonder of the new birth is taking place."

Our God is the true Wonder of wonders.
"None can compare" (Psalm 40:5)
