Finance Update

As we begin a new year, I wanted to give a final report of our finances for 2018.

We paid 100 percent of our apportionment! (Apportionment is our share of the United Methodist conference expenses for missions, administrative, relief, etc.) We also paid all our 2018 bills in full and start the new year with \$6,526.40.

Thank you for your generosity and support.

We had in my mind a wonderful 2018 -- not just financially, but in the love I see being shared by Trinity in many ways. We are sharing God's love every day

In addition to paying all our bills, Trinity continues to give every week through community cupboard, benevolence, Samaritan food pantry, and others to say nothing about the tremendous support for the Angel Tree gifts at Christmas and other special offerings such as flood relief and for the well in Africa.

In addition to those items, we also paid off our parsonage mortgage early in 2018!

I don't like to just talk about money, but as your treasurer I think it's important that you as a congregation are aware of the status. Our focus is to share the word of God's love so others may come to know Him as a personal savior.

Your financial contributions make it possible to have the structure in place to allow that to happen. Your finance committee continues to monitor our expenses so we know your money is being spent well.

If you have suggestions, please send a note to the office or put in offering plate and it will be given to us.

Thank you again for your generosity and understanding.

God bless you!
